ST. MORITZ SWITZERLAND

PRESS RELEASE

## *FROM SWEET TO SPARKLING – A GOURMET SUMMER*

**ST. MORITZ, May 2016 – A multitude of captivating culinary highlights lead an exciting journey for the senses through the summer at Badrutt's Palace Hotel. Executive Chef Michel Jost personally invites guest to join him at the »Chef's Table« in the legendary »Badrutt's Palace Kitchen« granting them a close-up on the art of his cuisine. To enjoy the sun in its full splendour Sunday lunch can be taken on the terrace of »Chesa Veglia« or tempting specialities from the grill can be enjoyed at weekends on the terrace of »La Diala« complete with a view overlooking Lake St. Moritz. August 2016 gets especially fizzy with »Berries & Champagne«, the sweet refreshing highlight in the green oasis of the new summer garden of »Veranda West«.**

The Chef's Table in Badrutt's Palace Hotel's kitchen is not just a highlight for the taste buds. This kitchen experience is all about being right in the thick of it, not just looking on. Here is where an incredibly lively team swirls dynamically around the kitchen, and is happy to allow a glimpse over their shoulders to see how it's done. Since October 2015 Michel Jost has been the new Executive Chef of Badrutt's Palace Hotel and during dinner he will happily answer any questions with an impish smile and recount some amusing tales from his long years and international experience as a chef.

How about going on a safari with a difference with the whole family or a group of friends? The »Gourmet Safari« is an exciting culinary excursion through many parts of the traditional hotel. To start with there is a classic aperitif in »Le Grand Hall«, then it heads deep down into the old walls for a tour of the »Palace Wine Cellars«. This is followed by main course in »Le Restaurant« and ultimately a brilliant finale in the famous »Palace Pâtisserie« where little works of art are created on a daily basis.

Summer, sun and clear, fresh Alpine air. There is nothing more appealing than listening to Huw Lewis' dulcet tones on a Sunday afternoon while enjoying the buffet lunch on the »Chesa Veglia Terrace«. Or how about a delicious barbecue? »La Diala« conjures up everything on the menu this summer from »Surf to Turf«. Light sushi and sashimi menus or hearty grilled meats are all served on the terrace overlooking Badrutt's Palace Hotel's garden.

For those with a sweet tooth and lovers of sparkling drinks, the iconic hotel is offering »Berries & Champagne« from 13th to 20th August. »Veranda West« will be transformed into a little green oasis with real grass and fruit shrubs to present sparkling champagne alongside fresh fruit, deliciously light desserts such as mousse, sorbets and tartlets. Who can resist this sweet temptation?
