ETIQUETTE

RESPECTING THE PEACE

We kindly ask for your cooperation with respecting the desire for tranquility within Palace Wellness. Restful zones are located on the left side of the pool area. Active zones are located on the right side of the pool area.

ADULTS ONLY

Palace Spa/Wet Zone and Fitness Centre are adult only zones (age permission above 16 years).

ATTIRE

For your convenience you may arrive at Palace Wellness wearing your bathrobe and slippers provided in your room. Alternatively, you may use our changing rooms and lockers for your personal belongings. Wardrobes with safes are also available upon request. The Palace Spa/Wet Zone is the only clothing optional zone within Palace Wellness.

Sports attire and sport shoes are a requirement within the Fitness Centre.

Outdoor footwear is not permitted in the Palace Spa/Wet Zone and indoor pool areas.

POLICIES AND ADVICE

Each body is unique in age, fitness, size and weight. Although we have guidelines for use of the therapies, we urge you to pay attention to your own health condition. Please consult your medical practitioner for advice on what stimulating or heat therapies, massages and treatments are suitable for you prior to using our facilities. Pregnancy, varicose veins, high blood pressure, the use of some medication, infections including colds and flu, fever and even sensitive skin are some of the conditions which are contraindicative to the use of saunas, steam baths and stimulating therapies.

Please note that we require 24 hours notice for changing or cancelling any bookings for services provided by Palace Wellness. Without this prior notification a full charge of the service will be imposed. We thank you for your kind understanding as this allows us to better service the demands of scheduled appointments for our guests.

PALACE SPA

SUGGESTIONS ON HOW TO SPA

Keep hydrated by drinking sufficient water before and during therapies.

- Commence with a warm massage shower to clean, hydrate, stimulate and promote circulation.
- Sauna promotes circulation and relaxes the muscles without causing sweating.
- Salt steam is best to treat clogged pores, problem skin and to cleanse and detoxify through sweating.
- Aroma steam is most suited to clear the respiratory system, cleanse and detoxify through sweating.
- Taking a cool Rain Shower cleanses the skin of toxin residue after heat therapies.
- The Mist Room produces a light cold mist to settle on your skin for cooling and closing the pores. Alternatively, crushed ice from the ice room may be applied directly onto your skin for the same effect.
- Rest on the warm stone bench between stimulating therapies.
- The Relax Room provides an atmosphere for the necessary rest as a conclusion.

Mixed gender & adults only:
